Did you know Roocci's artwork is a GROWING range of over 80 designs to choose from? 100% Australian made, designed and produced by the artist. NEW prints include underwater themes, farm, surf and of course many more adorable Australian native animals. Our philosophy is to make our unique Australian animals available for everyone to have an appreciation from a young age. Great for storytelling. We also have prints on canvas available of all these designs.

6.5 x 14" Prints - Triple window size is smaller than a 11x14" and are so cute! A great size to post.
